

Madison Summit Agenda

February 11 – 12, 2015

1. **Wednesday Morning:** Set the scope of the meeting and group
 - a. Develop guiding principles
 - b. Comprehensively define the elements of campus climate
 - c. Establish conceptual boundaries of a campus climate regarding sexual misconduct

2. **Wednesday Afternoon:** Develop survey and methodology
 - a. Select instruments
 - b. Articulate methodological guidelines
 - c. Draft recommendations for institutions who would conduct their own SV climate survey

3. **Thursday Morning:** Develop recommendations for data sharing
 - a. Discuss limits
 - b. Propose timelines
 - c. Devise infrastructure

4. **Thursday Afternoon:** Next steps
 - a. Plan for peer review of Summit products
 - b. Discuss interface with APA's and NASPA
 - c. Discuss additional ways to inform policies related to recommended or mandated sexual misconduct climate surveys
